MOST SIGNIFICANT BUSINESS LESSONS YOU HAVE LEARNED THROUGHOUT YOUR CAREER

- Surround yourself with people who are smarter than you
- Be true to yourself and always try to do the right thing
- Put yourself in a position where you can say "I learned something new today" each day on the job

IMPORTANT BUSINESS SUCCESS YOU HAVE ENJOYED

Helping the North Texas Food Bank optimize their delivery supply chain, so that they were able to distribute more of the right food in a shorter time across the metroplex. This particular business success was important for me because not only was I able to help provide an impact to the local community, but it was also one of my earliest consulting and client-facing successes. The experience helped me get my consulting career off on the right foot!
